### EXPERIENCE

Skyler J. Grant, Associate Attorney, joined D’Andre Law in March 2019. His practice is focused on defense of workers’ compensation insurance carriers and self-insured employers.

Counselor Grant’s passion for insurance has propelled his early success in defending workers’ compensation claims at various stages including applicant depositions, status conferences, mandatory settlement conferences, lien negotiations and contribution issues.

His passion for insurance began in law school where Mr. Grant achieved outstanding performances in both Insurance Law and Employment Law. He also spent an additional semester with independent studies on Director & Officer Insurance policies. Mr. Grant is also a published author in International Business Transactions 2016-2017 Volume II by Ralph Folsom, where Mr. Grant discusses the opportunities for the insurance industry in China’s continuing growth.

Prior to joining D’Andre Law, Mr. Grant gained significant legal experience in various fields of law and litigation including business law, construction law, tax law, and social security disability. Mr. Grant’s experience litigating before social security administrative law judges facilitated his seamless transition into workers’ compensation law.

Outside of law, Sky has a great affinity for trail running, lifting weights, basketball, video games and board games.
